www.did-inc.com

We are sourcing experts with over 20 years of experience as a government contractor for COTS items, with almost 1 MILLION products on OMB Spend Under Management contracts, including 5 OMB Best in Class contracts accounting for over \$25 million in department of defense and federal government sales.

Our product line includes construction supplies, equipment and tools and MRO - Industrial supplies.

DID's mission is to be the leading supply and logistics contractor to the U.S. federal government and the Department of Defense in service of our nation's Warfighters and Civil Servants. DID prides itself in our global distribution capabilities and small business attitude. We strive to set ourselves apart from the competition by fostering a small business culture of respectful, knowledgeable and trustworthy team members who carry out our proven process and commitment to honoring all our contractual obligations.
